

New Orleans AAG, 2018

Student **POSTER** Competition

Are you a PhD, Masters, or Undergraduate student presenting a poster at the upcoming New Orleans AAG Conference on a Rural Geography-related topic, and interested in a chance to win a 1-year AAG membership?

All posters entered into this competition will be viewed during one of the AAG's LARGE poster browsing sessions in the Exhibit Hall (day/time to be determined). This will bring visibility to your poster and research and will also highlight the good work that students are doing in the area of Rural Geography.

To Enter: Please register for the meeting and submit your poster abstract/information by the **February 14, 2018** deadline. Then, please forward a copy of your submission confirmation to:

Cheryl Morse, RGSG Awards Chair, cheryl.morse@uvm.edu

Posters in this competition will be placed in their own row/area during the general browsing session, and there will be a *Rural Geography Specialty Group* placard placed by your poster.

Visit <https://rgsg.wordpress.com/awards/> for information regarding AAG Poster Guidelines and to find a judging rubric.
